生命歷程故事分享

Dear Scholarship Donors,

I am writing to express my great appreciation to donors. I was thrilled to learn of my selection for this honor.

I am currently in the first year of my Ph. D degree with a Physics major. The financial from a scholarship provided great help to me in paying my subsistence and educational expenses and it allowed me to concentrate more of my time on studying and researching.

Thank you again for supporting and helping CCU students like me to achieve our dreams.

Sincerely,

Le Vu Thanh Thu

Department of Physics, National Chung Cheng University
